

CITY OF SUNFISH LAKE

DATE: February 28, 2018

TO: Mayor & Council

FROM: Cathy Iago, City Clerk/Administrator

RE: Request to Execute Agreement with the City of Mendota Heights to Participate in Spring Clean-up Day

BACKGROUND: The City of Mendota Heights has agreed to partner with the cities of Sunfish Lake, Mendota and Lilydale in their annual Spring Clean-up Day.

Mendota Heights prepared a Joint Powers Agreement that outlines the requirements for participation in the event. The three cities would be billed a portion of the fees dependent upon the number of residents that attend the event. The City's portion of payment to participate would be calculated by the number of residents that attend and will be taken from the Dakota County Recycling Grant funds.

The City of Sunfish Lake participation in this event also serves to meet the requirements of the 2018 Grant Application.

ACTION REQUIRED: Staff recommends that Council authorize the Mayor and City Clerk to execute the Joint Powers Agreement with the City of Mendota Heights to Participate in their Annual Spring Clean-up Day.
