RE: Application of Comcast for Cable Franchise; December 4, 2018 Council Meeting Agenda Item 5(b)

Section 1. Background. This relates to Council meeting agenda item 5(b). The Executive Director of the Cable Commission (Jodie Miller) and the Cable Commission attorney (Brian Grogan) will be at the Council meeting to make a presentation concerning the status of the Comcast application for the cable franchise. It is expected that the Cable Commission will meet later in December 2018 to formulate a specific written recommendation to each of the seven commission cities.

It is expected that the Sunfish Lake Council will take formal action in January 2019 to address the Comcast application.

Section 2. Council Action. At the December 4, 2018 Council meeting, after the presentation, it would be advisable if the following motion were made by the Council:

Moved, that the Sunfish Lake City Council requests that the Cable Commission and its attorney prepare for the City a draft Council resolution denying the Comcast franchise application so that the resolution may later be considered by the Sunfish Lake City Council.
