

Forester's Report 2 27 19

No burning permits were issued during February.

The Welcome Committee met on February 19th at the Heartland Credit Union.

Planning for Arbor Day, Friends of Musser Park, Tree Board annual meeting is progressing.

Look for Treeways articles on the Sunfish Lake website.

No additional debris has appeared near the end of 55th Street. I remain in contact with the West St. Paul police department on this issue.

Perhaps the quietest forestry month in years for the City. The deep snow is an advantage for tree health unless it allows voles to damage young trees. Life is good!

Jim Naves
City Forester
