December 31, 2019

Forester's Report 12 31 2019

No burning permits were issued during December.

Checked City trees along City streets several times during the month. No issues even with several heavy snowfalls.

Completed and sent in Tree City USA application to the National Arbor Day Foundation. It has been reviewed and approved by Minnesota DNR officials and forwarded to the Arbor Day Foundation.

Regularly checked Sunfish Lake water outlet and discussed flow rate with City Engineer. Water continues to flow through the new outlet system.

Checked Upper 55th Street for dumping and picked up and disposed of two mattresses that had been dumped there about December 10th or 11th.

Checked trees on the south side of Salem Church Road at the intersection of Delaware Avenue to assess likelihood of damage if more road salt is used there to improve winter driving conditions. Additional salt will not be a issue there.
