Forester's Report 5 3 2020

One burning permit was issued in May once the MN DNR lifted burning restrictions. Burning permits will be available continuously now until dry leaves have fallen in the fall.

City park trails and street tree conditions were checked, and site visits were made at 1 Sunfish Lane, 2150 Charlton Road, 2031 Angel Road, 55 Salem Church Road, 270 Salem Church Road, and 410 Salem Church Road.

Five family groups planted a total of 26 trees in Musser Park on our Arbor Day, May 2. A good time was had by all and photos were taken. All participants were given face masks made by Jeannine Naves and everyone wore them during the tree plantings.

There are still a limited number of Arbor Day trees available for sale. Contact the City Forester for information.
