Forester's Report 3 30 2022

Two burning permits were issued during March

Lakes remain ice covered though there has been significant melting.

Checked City trees along City streets twice during the month and monitored lake outflow of Sunfish, Hornbeam, and Horseshoe Lakes. No outflow was occurring from any of our three lakes. Water levels remain at least 1-2' below ordinary high water mark.

There are now five 2022 Treeways articles on the City website.

Attended the virtual Shade tree Short Course conference.

Consulted with Planner and Engineer regarding various projects in the City.

Street weight limit signs were put up on March 17 and Tree City signs were upgraded to the "32 years a Tree City" recognition.

A fallen tree was removed from 55th Street.

The Arbor Day newsletter is ready for printing and will be mailed in Early April.

I expect that some of the smaller trees scheduled for removal near City streets will be removed in the next week or so. Larger trees will likely need to wait till street weight restrictions have been taken off.
