May 31, 2022

Forester's Report 5 31 2022

No burning permits were issued during May

The Annual Arbor Day event was held on Saturday, May 7. A memorial tree was planted in Musser Park by City Council members and friends in honor of Councilwoman Joanne Wahlstrom. Twenty seven additional trees were planted by families and volunteers during the event. Recycling coordinator Cassandra Johnson provided information and advice regarding recycling.

Checked City trees along City streets twice during the month and monitored lake outflow of Sunfish, Hornbeam, and Horseshoe Lakes. No outflow was occurring from any of our three lakes. Water levels remain at least 1-2' below ordinary high water mark.

Consulted with Planner and Engineer regarding various projects in the City.

All trees scheduled for removal near City streets have been removed. All removals and clean up have been completed as specified in contract with Sav A Tree company.
