Re: WSB 2024 Rate Schedule

Dear Ms. Wilcox:

For nearly 30 years, we've been focused on combining services with expertise to better serve our clients. We are grateful for your partnership and appreciate the opportunity to bring thoughtful solutions and value to you and your community.

As we move into 2024, we will increase our rates by 6% on average. This increase takes into consideration many external forces and reflects the cost of business in today's economy.

We understand our clients always have a choice of who they partner with. Providing efficient and effective services remains our top priority as we continue to manage costs through the thoughtful use of technology and subject matter expertise.

We are committed to working with you to build communities that will withstand the challenges of the future. Thank you again for the opportunity to work with you. Please do not hesitate to contact us with any questions or concerns you may have.

Sincerely,
