Forester's Report 3 31 2024

A quiet March for Forestry in Sunfish Lake.

No burning permits were issued during March.

A reminder that Arbor Day this spring will be on Saturday, May 4.

Street weight limit signs were taken down on March 20. This is about a month earlier than normal.

Monitored of outflow of Sunfish, Hornbeam, and Horseshoe Lakes and no outflow was occurring from any of our three lakes.

The recent heavy snows caused no street tree issues throughout the City. The wet snow provided a good soaking of moisture for our dry soils but little runoff for our lakes.
