Date: May 8, 2024

The following Engineer's Report reflects the Engineering activities undertaken this past month.

- 1. Engineering Activities Undertaken in the Month of April**
 - A. Staff met with Craig Kromrey of Executive Contractors to discuss a collapsed culvert he observed on Angell Road. Staff are currently seeking quotes to remove and replace the culvert and will bring the quotes to a future council meeting for discussion.
- 2. Public Works Activities Undertaken in the Month of April**
 - A. Staff met with Craig Kromrey of Executive Contractors to review potholes for repair.
 - B. Staff received a call from Craig Kromrey of Executive Contractors regarding the poor condition of pavement on 55th Street. Staff have requested a quote for the mill and overlay on 55th Street to bring to a future council meeting for discussion.
 - C. Staff were approached by Craig Kromrey of Executive Contractors and the City of Inver Grove Heights to consider a joint mill and overlay project on 60th Street. Staff have requested a quote for the mill and overlay on 60th Street to bring to a future council meeting for discussion.
- 3. Building and Site Reviews in the Month of April**
 - A. None.
- 4. Anticipated Engineering/Public Works Activities for the Month of April**
 - A. Staff are scheduled to begin pavement and culvert ratings in July as weather permits.
 - B. Staff will continue to coordinate a cost estimate to bring forward to the June City Council meeting.

The above constitutes the Engineer's Report for the City of Sunfish Lake for May 14, 2024.

Respectfully submitted,

Justin Messner, PE
