

Item 7**Sunfish Lake Engineer's Report for August 14, 2024**

By: Justin Messner, PE
City Engineer

Date: August 7, 2024

The following Engineer's Report reflects the Engineering activities undertaken this past month.

1. Engineering Activities Undertaken in the Month of July

- A. Staff have sent out notices for PFAS testing. Staff will know when WSB will be able to start testing once a DNR permit is received. Currently, it is scheduled for completion in August.
- B. Staff coordinated the culvert repair of Grieve Glen Lane.

2. Public Works Activities Undertaken in the Month of July

- A. None.

3. Building and Site Reviews in the Month of July

- A. Staff conducted reviews for the following properties this month:
 - 5940 Zehnder Road – Staff reviewed and accepted the latest submittal for this property for septic system replacement.
 - 116 Salem Church Road – Staff reviewed the latest submittal for this property for Minor Site Plan. It is anticipated this application will be heard at the August Planning Commission meeting.

4. Anticipated Engineering/Public Works Activities for the Month of August

- A. Staff will continue conducting the pavement and culvert ratings throughout the city. Inspections will continue through the month of August.
- B. Staff coordinated the repair of pavement at Windy Hill Road and Windy Hill Court.
- C. Staff received a notice of Dakota County's 2025 Pavement Preservation Project which includes Delaware Avenue (CSAH 63). Dakota County requested information on any utility repairs along Delaware Avenue that staff would like to incorporate into this project. Staff are looking into utility information and whether there are any upgrades necessary.

The above constitutes the Engineer's Report for the City of Sunfish Lake for August 14, 2024.

Respectfully submitted,

Justin Messner, PE
City Engineer
