#### ***Construction Activities***

The City Council has awarded the construction contract for this project to Valley Paving. They plan to start work the week of June 19. Below is a brief construction schedule, weather dependent.

#### ***Tentative Project Schedule***

- June 19 to 23, 2017 – Surface Removals / Culvert replacement
- June 26 to 30, 2017 – Grading / Gravel Placement
- July 5 to 7, 2017 – Paving / Shouldering
- July 10 to 14, 2017 – Striping / Signing / Clean-up

The contractor currently plans on working Monday through Friday from 7 a.m. to 5 p.m.

#### ***Garbage Service***

Garbage service will be maintained throughout the length of the project. Construction activities at times may require crews to move garbage bins to allow the garbage company to pick up each bin.

#### ***Access/Traffic Control***

Access to all properties will be maintained during the project. There may be times during the day when you can't access your driveway due to construction activities, but access will be provided at the end of each day.

#### ***Questions***

If you have any questions, comments, or concerns, please contact the construction inspector, Dustin Tipp at the phone number provided below. He can also be found on site throughout the day and will be the quickest way for you to receive answers to your questions, comments and concerns and he will get back to you in a timely manner.

#### ***How Can You Help?***

In an effort to complete the work in a timely manner, please observe the following:

- No on-street parking will be allowed from 7 a.m. to 5 p.m. on streets under construction.
- Access to your property may be blocked at various times during the day, but access will be maintained between 5 p.m. and 7 a.m. Please contact Dustin if you have specific needs or concerns related to access.
- Please stay clear of the construction area.

#### ***Thank you for your patience!***

As we continue the 2017 Street Improvement Project, please be aware that construction activities are noisy, dusty, and sometimes inconvenient. The project team will do its best to complete the work in a timely fashion and minimize disturbances to you and your property.
